

Kaylin Jones

Operations Assistant

Kaylin went to Trevecca Nazarene University pursuing Music Business with a Minor in Business Management. Upon completing her education and beginning to work in her field, she recognized that she had a passion for working within management and social media marketing. Kaylin began working within beauty salons to help manage, build and grow their businesses. Kaylin is extremely passionate about assisting others in building their dream business alongside pursuing her own passions.

Outside of her career, Kaylin loves spending quality time with her friends and family. She has recently added 'Mom' to her list of job titles and is thriving at being a mother to her little boy. She also enjoys music, singing, fashion and all things beauty.

Kaylin is excited to be a part of the MYT team and can't wait to contribute to helping you take your business to the next level.
