

Norm Arslan

MYT Coach & Presenter

Norm has been providing training and consultation to a number of businesses and universities in San Francisco and New York. The focus of these trainings has been a variety of management topics including effective communication, emotional intelligence, dealing with difficult people, the manager as coach, stress reduction, and conflict resolution to name a few.

He is currently on staff with MYT in New York and LDI based out of San Francisco. He provides leadership coaching services, with an emphasis on authenticity and leadership versatility. He also has conducted seminars for Abbott Labs, Knighted Ventures, First Republic Bank, Vitasoy, Mezzetta Industries, San Francisco, Sonoma and San Jose State Universities, Gladstone Institute, and several law firms including Morgan Lewis LLP and Winston Strom. Norm provides coaching for participants in our Mastery and Extension programs.
